3<sup>rd</sup> April 2020

Dear Parents/Carers,

We are writing with a quick update this week. We hope everyone is doing well and keeping safe at home.

### **Easter Holidays**

During the Easter Holidays, the school will stay open to support families of Key Workers. The teachers will not be producing Home Learning resources for this period or providing any feedback over the break. Home Learning will continue from Monday 20th April.

### **Google Classrooms**

Thank you and well done to all of you who have logged into our virtual classrooms! It's been a week of getting used to how it works for you and us alike. I'm sure we'll continue to be ironing a few things out each week.

We met with teachers on Zoom this week to see how it is going. We will post work up as 'Assignments' because this will enable you to post work back to us privately. Please only use the class 'Stream' when you are happy to share this with everyone.

The response that we have had from parents has been very positive, that you welcome the resources and the opportunity to share what you are doing with us. Your feedback is important to us and we are committed to doing everything we can to support you and keep our school community together at this time.

### **Easter Service**

As we have not been able to hold our normal Easter Services, we are working with Mr Mitchell, Music Teacher and Mr Mangles from the Church to produce a pre-recorded Easter Service which we plan to broadcast on YouTube. The aim is to post a link to you on Easter Sunday so keep an eye on Facebook and the Website!

Wishing you all a happy and safe Easter,

Yours sincerely,
